

Student livery packages

	New Policy	Detail/context
1	DIY option	This will be £40 per week for Students including Hay and straw, but customers must provide their own food (concentrates) & bedding (shavings etc.) if required. Owners are able to purchase a range of food & bedding from our Pet shop at extremely competitive rates. Storage space will be allocated for every horse.
2	Working livery option	This will be £10 weekly for Students. Information below outlines additional details of this option. Please note Horses that are deemed not appropriate by our academic team will be asked to change option.
3	Part working livery option	This option is £65 per week including the outlined additional details below. Please note Horses that are deemed not appropriate by our academic team will be asked to change option.

Working and part working livery options include:-

- 1) Farrier fees - worth £520 (does not include any specialist shoeing).
- 2) Vets fees up to £300 + Vat - this includes your annual vaccination.
- 3) Worming - worth £50, 2x per academic year
- 4) Physiotherapy treatments – worth £110, 2 x per academic year
- 5) Routine Dental treatment - worth £45, 1 x per academic year
- 6) Saddle fitting/checks by a qualified saddle fitter – Worth £150, 1 x per academic year
- 7) Nutritional diet plans provided by an Allen &Page specialist
- 8) Provision of quality and suitable feed, hay and bedding - worth £2880 per academic year
- 9) Your horse will be kept fit through doing a variety of work ie ground work, lunging, flatwork, jumping, hacking, all under the supervision of a qualified lecturer.
- 10) Your horse is cared for to a high standard under the supervision of qualified technicians
- 11) Daily turn out in electric fenced or post and rail paddocks
- 12) Monthly health checks
